

Mrs. Lee's First Grade Class Helps Decorate Noble Police Department's Christmas Tree

Mrs. Lee's first grade class from Katherine I. Daily Elementary school along with Noble School Superintendent Greg Kausbaum recently assisted the Noble Police Department to decorate it's Christmas tree. Students colored and decorated various ornaments that they presented and placed on the tree. Chief Keith Springstead was excited from the participation that the department is receiving and believes that the tree has the look that was needed. Springstead stated that the idea was developed from an employee who thought getting the children involved would give them and the police employees a good sense of community. Anyone else that would like to participate are encouraged to go to www.cityofnoble.org and follow the events link and color an ornament and bring it to the Noble Police Department located at 115 N. 2nd and place it on the tree.
